

**The 9th IUPAC International Conference on Green Chemistry  
has been postponed to 2022**

Dear Colleagues,

We would like to thank you for submitting your abstracts to the **9th IUPAC International Conference on Green Chemistry (9th ICGC)**.

After careful consideration of the current COVID-19 situation and the uncertainty in the coming months regarding health and safety issues, as well as travel and gathering regulations worldwide, and in consultation with the IUPAC/ICGCSD and the Association of Greek Chemists, we regret to announce that the **9th IUPAC International Conference on Green Chemistry (9th ICGC) has been postponed to September/October 2022, same place (Athens, Greece)**.

More information regarding the exact dates, new call for abstract submission and other details, will be available in due time via the same website: <http://www.greeniupac2020.org/>

We would like to apologize for the inconvenience that this might have caused you. However, our primary aim is to be able to organize an exciting scientific event which all colleagues from around the world can safely attend and enjoy.

On behalf of the Organizing Committee,

With our best wishes,

**Prof. Konstantinos Triantafyllidis**

Department of Chemistry, Aristotle University of Thessaloniki, Greece
